

Wayne Curtis Barish, MD, FABO, DABO, an Ophthalmologist with Palm Beach Eye Center

Get to know Ophthalmologist Dr. Wayne Curtis Barish, who serves patients in Lake Worth, Florida.

New York, New York City, Apr 7, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Barish is a board-certified ophthalmologist and cornea specialist at Palm Beach Eye Center in Lake Worth, Florida. He is known for using the latest techniques and state-of-the-art technologies to complete laser-assisted cataract surgery and bladeless LASIK and refractive surgery.

With vast experience treating a variety of eye diseases, his specialties include dry eye disease, difficult contact lens fittings, rare corneal disorders, and diseases of the eye. He further specializes in unique treatments of dry eyes, including Lipiflow and Autologous Serum.

Palm Beach Eye Center is a premier ophthalmology practice serving children and adults in Lake Worth, Florida with a comprehensive vision and eye care. The state-of-the-art facility features a modern yet comfortable environment that caters to the varying needs of patients. As leaders in advanced eye care solutions, eye doctors utilize sophisticated technologies and techniques to diagnose and treat a broad

array of common and rare ocular conditions.

Back in the early days of his academic career, Dr. Barish graduated with his medical degree from the Universidad Autónoma De Guadalajara Facultad De Medicina in 1987. He then completed a 5th Pathway Certificate at Mount Sinai School of Medicine in 1988, an internship in internal medicine at Mount Sinai School of Medicine at Elmhurst in 1989, a residency in internal medicine at Long Island Jewish Medical Center in 1991, and a pre-residency fellowship at Tufts University- New England Eye Center in 1992. This was followed by a residency in ophthalmology at Interfaith Medical Center in 1996 and a fellowship in cornea and external disease under the supervision of Dr. James Aquavella, a world-renowned ophthalmology specialist, at the University of Rochester in 1997.

In addition to being a Fellow of the American Academy of Ophthalmology, he is board-certified in ophthalmology by the American Board of Ophthalmology (ABO). The ABO is an independent, non-profit organization responsible for certifying ophthalmologists in the United States of America.

Licensed to practice medicine in Florida, Dr. Barish is affiliated with Delray Medical Center, JFK Medical Center - Florida, Bethesda Hospital East, and West Boca Medical Center.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataracts, glaucoma, and corneal surgery.
