New York, New York City, May 14, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Morgan is a reputable plastic and reconstructive surgeon with Froedtert & the Medical College of Wisconsin. He sees patients at Drexel Town Square Health Center in Oak Creek, Wisconsin, the Hand Center Clinic in the Tosa Health Center in Wauwatosa, and operates at the Froedtert and Children's Hospitals in Milwaukee.

Some of the diseases and conditions that he treats include: brachial plexus injuries, hand and wrist fractures and pain, hand trauma, nerve injuries and compression, trigger finger and other tendonopathies, and skin cancers as well as cosmetic surgery. Likewise, some of the treatments and services that he offers include: hand/wrist and peripheral nerve surgery, post-Mohs reconstruction, general reconstructive surgery, and surgical/non-surgical cosmetic procedures.

"All patients deserve individualized care that is tailored to their specific needs and situation. This takes both time and effort but is required to get optimal outcomes" expressed the doctor.

Alongside his clinical role, he serves as an Assistant Professor at the Medical College of Wisconsin.

Originally from Oklahoma City, Dr. Morgan received his medical degree from the University of Oklahoma College of Medicine in 2010. He then went on to complete his plastic surgery residency at Oklahoma University Medical Center in 2016. He followed this up with a fellowship in hand and peripheral nerve surgery under the mentorship of the outstanding faculty at Washington University in St. Louis in 2017.

With excellence in cosmetic and plastic services, he is board-certified in surgery by the American Board of Surgery (ABS). The ABS is an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

Licensed to practice medicine in Wisconsin, Dr. Morgan is affiliated with Froedtert Hospital, Froedtert Menomonee Falls Hospital, Drexel Town Square Health Center, and Children's Wisconsin - Milwaukee Hospital.

Dr. Morgan is a hand surgeon with a background in plastic surgery. Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
