

## **Harvey Gutman, MD, a Urologist with Advanced Urology Centers of New York - Smithtown North Division**

Get to know Urologist Dr. Harvey Gutman, who serves patients in Smithtown, New York.

**New York, New York City, May 3, 2021 ([IssueWire.com](https://www.issuewire.com))** - A caring and diligent urologist, Dr. Gutman practices at Advanced Urology Centers of New York - Smithtown North Division. His practice encompasses all aspects of urology with particular interests in prostate disease, stone disease, and sexual dysfunction.

Having been in practice in the Smithtown area for over 25 years, Dr. Gutman has been active in many community and hospital services including President of the Medical Staff at St. John's Hospital, community speaking and education services, and annual prostate screening. He is on the medical staff at St. Catherine's Medical Center, Mather Hospital, St. Charles Hospital, Huntington Hospital, and Stony Brook Hospital.

With a broad educational background, Dr. Gutman graduated from Magna Cum Laude from SUNY Buffalo University and was a member of Phi Beta Kappa. He then earned his medical degree from the University at Buffalo School of Medicine and Biomedical Sciences in 1978. He completed a surgical internship at Einstein/Montefiore Medical Center.

His urological training and degree were obtained at New York University Medical Center. This included training at Sloan Kettering Memorial Hospital in urologic oncology and advanced training in sexual dysfunction.

With years of experience, Dr. Gutman is board-certified in urology by the American Board of Urology. The mission of the ABU is to act for the benefit of the public by working with certified urologists to achieve lifelong learning to ensure the delivery of high-quality, safe, and ethical urologic care.

In addition to being a Fellow of the American College of Surgeons, he is a member of the American Urological Association, the American Association of Clinical Urologists, and the New York County Medical Society.

Urology is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.

As a testament to his success, Dr. Gutman is the recipient of Compassionate Doctor Recognition (2014, 2015, 2018) and Patients' Choice Award (2015, 2018).

On a more personal note, he speaks multiple languages, including English, Spanish, and Yiddish.
