In Front of Me goes Viral on Social Media

California, Hollywood, May 26, 2021 (Issuewire.com) - Music Producer Extraordinaire Ramin Bidar has just released a catchy summer uptempo song that embodies work from Grammy Nominated Songwriter/Producer /Artist Marlin Bonds aka Hookman, known for work with Chris Brown, Jason Derulo along with many more artists, and Los Angeles Recording Artist/Actor Elijah McCoy. You will even find Hookman singing a chorus that's infectious to the ears and Elijah, delivering a catchy flow on the verses.

In just a short time using the viral platform Tik Tok, Ramin released a video on his account with the song In Front of Me and it's already garnered over 1 million views in just a few days. Ramin Bidar even integrates that Sunny California lifestyle in the official music video soon to be released. He's impressively been able to secure major distribution with @iambrandonjay & IMA Music Group which is distributed by Sony Music/Orchard.
