Babies are always seeking out new and exciting things to explore. Now, they can visit the park with all of its 3D swings and play in an open space that is perfect for their size! There are tons of toys to play with too- just imagine how much fun it will be for them outside their home!

Customize your nursery and make a baby room you'll love! Collect stars and use them to change the wall, floor, or rug design. You can show off your fashion sense by changing the look of this stylish nursery any way you want.

There are many new fantastic toys to discover and you can watch them do things you can't expect when you just observe them. Every baby has a different personality and secret quirks. They're constantly learning and growing, which is why it's so fun to see what new things they'll be up to next! For example, one of the babies might decide to explore its surroundings while another just wants to play with someone else. It doesn't matter how they act because they're always adorable!
