

Upcoming Tacoma Based Hip Hop Artist Lil Triiz's Song 'Who Is You' Creates a Fulfilling Creative Base

Rapper and Tacoma-based hip hop artist Lil Triiz's newly released 'Who Is You?' presents an insightful plunge into the thematic escapades of the song.

Washington, Tacoma, May 31, 2021 (Issuewire.com) - 23-year-old artist **Lil Triiz** is presenting a new era of hip hop and rap verses with his exclusive soundscape. The artist recently came out with the single, '[Who is You?](#)', a song that marks a significant confluence in his career. The rapper's prolific rapping skills and rhythmic sense provide the song with an edge and identity of its own. He is extremely expressive in his musical and lyrical outspokenness that gives his soundscape a new horizon altogether. The spontaneity comes naturally as he takes his audience on a journey of thoughtful contemplation and reflection with his invasive lyrics and themes. The independent artist is very fluent in his verses as he raps and makes the song emerge with flying colors.

The upcoming [Tacoma-based hip hop artist](#) started making music since he was 14. Working out of his home studio, he has garnered the independence to translate his thoughts into music. Over the years, he has worked with various artists which helped him gain experience and exposure as a new musician. His album, fuck you triiz that came out in December also shows potential and his ability to engage the audience in a continuous musical inspiration. He strives to deliver the best as he constantly tries to improve his musical skills with new ideas and techniques. The song '**Who Is You?**' is not just lyrically engaging but also enables everyone to read between the lines and extract the motivation that the song is trying to put out there.

Some of the other songs that complete **Lil Triiz's** soundscape include 'Monroe'. He also has an upcoming song at his disposal called 'bye' set to release this summer which will further expand his musical legacy to new degrees. He has also performed extensively across Seattle that made him come closer to his audiences. From his musical style to his productions, everything comes together in a beautiful union. He is paving the way for a new era of hip hop and rap music with his exclusive music

scape that will continue to motivate and inspire future artists. To know more, follow him on YouTube, [Facebook](#), [Instagram](#) and [Spotify](#).
