

Erinzan Pty Ltd. Expands Its Partnership with AWE Learning on Launch of Product Upgrade

EdAlive®

United States, Pennsylvania , Jun 1, 2021 (IssueWire.com) - AWE Acquisition, Inc., dba AWE Learning, is excited to expand its partnership with Erinzan Pty Ltd., trading as EdAlive. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning recently launched Version 2 of the Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum. Each workstation includes more than 85 educational software titles spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Art and Music, and Math) for early learners, plus new interfaces, administrative features, and Customer Portal. We are excited to add additional titles from EdAlive. The addition of Typing Tournament, BRAINtastic Maths, and BRAINtastic Reading Success on AWE Learning's newest release of the AfterSchool Edge Platinum will offer content to enhance typing, literacy, and math skills.

Through AWE Learning's continued partnership with EdAlive, their educational software titles will reach a larger audience and will positively impact early learners. EdAlive's educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. "EdAlive has been working with AWE Learning for many years now and it is a great privilege to be able to help even more children achieve their learning potential with the exciting upgrade of the AWE Learning Stations," said Graham East, Managing Director of EdAlive.

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to expand our partnership with EdAlive on the newest release of our award-winning workstations. Companies like EdAlive offer a variety of premier educational content for our target age group and markets, and we are excited to include more of their content on our offerings. In today's global and connected world, our technology gives children access to digital learning resources. Additionally, by addressing the foundational literacy skills of early learners, we are lowering the need for intervention programs. And we are giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles."
