

## **Find a new route hip hop with South Carolina rapper Drew The Dream and his latest banger ‘Spend Sometime’**

The upcoming South Carolina rapper, Drew The Dream is fleshing out emotions through his emotionally rich hip-hop banger ‘Spend Sometime’ and his other singles.

up-and-coming hip hop artist **Drew The Dream** is making a significant buzz with his single, '**Spend Sometime**'. A dreamy soundscape is woven with electronic music and digital beats which keeps sprawling as the track progresses. Pouring down an ample amount of musical craft and poetic lyricism through his smooth deliverance, the artist creates a major hook. There is warmth in the slumberous, soft delivery of the rapper which complements the intimate subjective matter. It is one of the greatest works by the artist and another milestone in his persistent musical career.

Motivated by life, this **South Carolina rapper** is striving through his life and exploring himself through rap and music. His knack for music started pretty earlier and by nourishing his skills, he had given listeners some of the greatest singles like, 'So Much', 'Regret IT', 'Promises', 'Survival', etc to name some. Some recent releases like 'Missing Child', 'Lonely', 'HeartBreak & Misery', etc are currently buzzing through playlists of the fanatics. There are more tracks like 'Silly Rabbit', 'Roses', a tribute to Kobe 'R.I.P Kobe', 'Coronavirus', etc and many others. The rapper has always come up with the contemporary subject matter of reality. Every track is capable of depicting a picture whether it is social or personal. High relatable and listenable, each of the single is a treat for the listeners.

Similar aura and warmth can be found in the latest track '[Spend Sometime](#)' as well, one of the hits of his career. With such a huge collection of tracks, it only proves the artist's musical consistency and determination to create more tracks. Currently, this artist is already working on his next project while brushing himself up with something new.
