

## IDZ Digital Private Limited Expands Its Partnership with AWE Learning on Launch of Product Upgrade

# AWE LEARNING

**Pennsylvania, Chester, Jun 1, 2021 ([IssueWire.com](https://www.issuewire.com))** - AWE Acquisition, Inc., dba AWE Learning, is excited to expand its partnership with IDZ Digital Private Limited. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning recently launched Version 2 of the Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum. Each workstation includes more than 85 educational software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Art and Music, and Math) for early learners, plus new interfaces, administrative features, and Customer Portal. We are excited to add additional titles from IDZ Digital Private Limited. The addition of Brain Games for Kids, AntiSpark, Kids Spelling & Reading Games, and U.S. Map on AWE Learning's newest release of the Early Literacy Station Platinum and AfterSchool Edge Platinum will offer geography and literacy content, and much more.

Through AWE Learning's continued partnership with IDZ Digital Private Limited, their educational software titles will reach a larger audience and will positively impact early learners. IDZ Digital Private Limited's educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. IDZ Digital Private Limited Director, Aditya Mohatta, said, "At IDZ Digital, our goal is to create fun and educational apps that kids love. By offering our educational content, we strive to give every child the best start to their learning journey and build their confidence for school and life."

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to expand our partnership with IDZ Digital Private Limited on the newest release of our award-winning workstations. Companies like IDZ Digital Private Limited offer a variety of premier educational content for our target age group and markets, and we are excited to include more of their content on our offerings. In today's global and connected world, our technology gives children access to digital learning resources. Additionally, by addressing the foundational literacy skills of early learners, we are lowering the need for intervention programs. And we are giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting with these exciting new titles.
