

# Purpous Is New and Trending In Music

Hot California Artist Sets the Wave for Unsigned Talent

**Georgia, Atlanta, Jun 16, 2021 ([IssueWire.com](http://IssueWire.com))** - [Purpous](#) is a new music artist based out of California. His roots are from Crenshaw. Purpous passion for music began at an early age, this is where he began dancing to hip hop style beats. The Talented artist became inspired by legends such as Micheal Jackson, Chris Brown, and Les Twin. At Seventeen, he paves his way to becoming a hip-hop music artist. His first single was titled "Cold game" which was released with positive reviews. His Lyrics are defined as reality rap, this particular rap style gives the artist the ability to express his experiences. Purpous overall objective is to create music for true fans who believe in his unique craft.
