

17 Year Old Rapper "Zah" Your Next Favorite Artist?

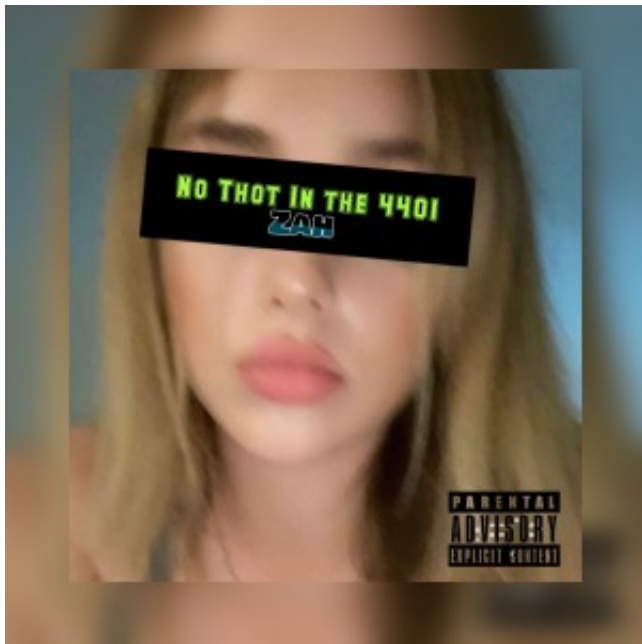

Upcoming Artist Zah

California, San Diego, Jul 26, 2021 (IssueWire.com) - Zah or Zah the rapper is a rising artist coming from San Diego California. He is most notable for his songs "Foreign Made" Featuring Thera Jean & "No Thot In the 440i". He is 17 years old and has been seen collaborating with some bigger names like \$NOT, DXRKKNGHT, and Genius on his social media account @zah.therapper.

He uses inspiration from well-known rappers Juice Wrld, Trippie Redd, and DDG. He has just released another hit "No Thot In the 440i", And is currently working on a project for the near future. On his track "No Thot In the 440i" he said, "most of the lyrics I use all come from past experiences, my music is like a look into my life".

Zah has a lot to look forward to in his future, he said "In the future, I definitely want to connect more with \$NOT make a song, not only that but definitely looking forward to my own genius verified". He currently makes music to share with all of his fans/followers but wants to get to the point where people know his name.
