Add Some Spice to Your Pool-Party with Kelsie Watts and her Latest Track 'Summertime Anthem'

Up-and-coming pop-rock music artist Kelsie Watts is spreading her musical aura through the latest track 'Summertime Anthem'. It churns out the flavors of dance-pop.

Nashville, Jul 22, 2021 (Issuewire.com**)** - Featuring cool production and upbeat dance
grooves, **Kelsie Watts** is creating a huge buzz with her trailblazing track '[Summertime Anthem](#)'. Just like its title, the track is being the anthem for pool parties this summer. There is much clarity and soul to the track entrapped with brimming energy. With lots of good vibes, the track proceeds and invites every listener on the dance floor. The track has been released under the label of Terrible Children Record. It is co-written by Mo Brown, Nikki Williams, and Zach Seabolt along with the artist herself. It is being the perfect example of her singing and songwriting skills.

Hailing from Nashville, this independent American pop-rock singer-songwriter has been making some great progress with each release she made. Some of her hit singles like 'Look What You Missed', 'Live Out Loud', etc have already garnered much attention. 2020 was a fruitful year too with the amazing singles like 'I Dare You', 'Destructive', 'Starstruck', etc to name some. 2021's greatest gift is the latest single **'Summertime Anthem'** that can connect with the listeners on a whole new level.

Kelsie had developed her passion for music at a very young age as she grew up with musical theatres, church choirs, and opera. In 2020, the artist was selected and cast on The Voice Season 19. It helped to gather a lot of recognition and later on, she has become a successful electronic pop artist. **Kelsie Watts** is being the role model of the modern music industry, creating timeless tracks. Follow her on **[Spotify](#)**, **[Facebook](#)**, **[Instagram](#)**, and **[Twitter](#)** to know more.
