

## Aqua Quip Opens New Woodinville Washington Location

**Washington, Woodinville, Jul 5, 2021 ([Issuewire.com](https://www.issuewire.com))** - Serving the greater Seattle Area since 1959, Aqua Quip provides quality products and services for creating lifelong memories in the backyard oasis of your dreams. The company is pleased to announce the opening of their newest retail location in Woodinville, Washington located in the Downtown Woodinville Shopping Center at 13970 NE 178th Pl, Woodinville, WA 98072.

The new store features a wide range of industry-leading brands including Hydropool swim spas, Jacuzzi hot tubs, Finnleo personal saunas, Regency gas, pellet, and wood-burning fireplaces and inserts, pools both inground and above ground, and a complete selection of BBQ's from well-known brands Weber, Saber, Big Green Egg, and Green Mountain Grills. This new location also offers an impressive range of pool and spa water care products, pool heaters and equipment, filter cartridges, automatic cleaners, BBQ Cleaning, Electrical services, Spa and Pool Maintenance, pool construction; free water testing, and an inspiring online shopping experience.

Committed to delivering a high degree of customer satisfaction, Aqua Quip is driven by a team of trained and reliable professionals who are licensed, certified, and factory-trained to offer the best leisure experience to customers. The team not only guarantees long-lasting products but also provides proper service and maintenance to extend the life of the products for years to come. After all, the best things in life are right in your own backyard.

According to John Antilla, the General Manager, 'We're very excited to be emerging from the pandemic with a beautiful new retail location right in the heart of the vibrant, fast-growing city of Woodinville'. Follow them on Facebook for more details.
