

Embassy Suites by Hilton San Rafael Marin County Unveils Property Upgrade

Renovations Are Part of Brand Revitalization Initiative

California, San Rafael, Jul 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Located at 101 McInnis Parkway, [Embassy Suites by Hilton San Rafael Marin County](#) has announced the completion of its transformative renovation, which includes repositioning and reintroduction of the Embassy Suites property as one of the premier destinations in the San Francisco Bay Area.

Managed by Hospitality Ventures Management Group; phase one for Embassy Suites by Hilton San Rafael Marin County's renovation, which began in July 2019, included a complete redesign and upgrade of all 236 guest suites. The property modernization also features a fitness center with separate strength training and cardio areas, including Peloton bikes, indoor heated pool, outdoor patio dining and relaxation areas, E'Terie Market, guest laundry, connectivity center, and over 19,000 square feet of flexible meeting space.

"Embassy Suites by Hilton San Rafael Marin County takes pride in providing our guests with a

memorable travel experience while embracing the bohemian spirit of San Rafael's eclectic population, all with the comforts of the Embassy Suites by Hilton brand," said Shawn Milburn, general manager. "These renovations demonstrate our commitment to guest satisfaction by offering a uniquely California spin on hospitality because there is nothing 'typical' in Marin. As in, one famous bridge away from San Francisco and right next door to the vineyards of Napa and Sonoma."

The suite configurations were diversified in an effort to accommodate families, business travelers, and group needs. Guest suite accommodations offer one king or two queen beds with a living room and queen-size sleeper sofa. Bathrooms underwent complete modernizations, including the addition of walk-in showers. Additionally, all suites are equipped with kitchen necessities such as a microwave, coffee maker, and mini-refrigerator for travelers to take advantage of as they embrace the local culinary scene.

The renovation included a complete re-imagination of Embassy Suites by Hilton San Rafael's existing dining offerings with the addition of E'Terie on the go Market, a 24-hour grab and go service; perfect for guests needing to work, meet, or are on the move, and Marin Comfort Kitchen, celebrating the beauty of grilled cheese while highlighting the local artisan bread and farmstead cheeses here in Marin County and the Bay Area.

"We are most excited by the transformation of Grille 101 into Red Oak Craft Bar and Rotisserie, an upscale, social setting outfitted with inviting seating, fire pits, and a 12-month culinary garden, Red Oak Farm," said Shawn Milburn, general manager. "Our locally sourced menu is inspired by our neighboring island preserve, Santa Margarita Island Preserve, at Red Oak our rotisserie is used to provide a versatile medium for cooking everything from beef and lamb to more delicate items such as poultry, flatbreads, and vegetables. Guests can choose to dine in one of four unique spaces - Main Dining, Red Oak Private Dining, the Outdoor Terrace or they can reserve the Red Oak Farm's 1,500 square foot outdoor event space to indulge in farmer's market fresh selections, each Thursday and Sunday, from the Marin Farmers Market - across the footbridge."
