

KBJ Group, steered by Aksha Kamboj, remarks on being a multi-industry business and social responsibility

Maharashtra, Mumbai, Jul 31, 2021 (Issuewire.com) - KBJ Group, currently headed by [Aksha Kamboj](#), is a seemingly unstoppable brand based in Mumbai, India. A company that was established not even two decades ago, today has achievements and success stories in not just one but multiple sectors and industries. Led by Mohit Kamboj aka Mohit Bharatiya previously, the business is presently involved in real estate, investment, hospitality, farming, bullion, and jewelry.

Being a successful business with such wide diversifications is not a smooth task in the present competitive market. But the Aksha Kamboj-led [KBJ Group](#) has just the right expertise and approach that has sustained them for so long. “We have come so far because of a brilliant team, a unified vision, and our zeal to venture into new markets”, says Aksha Kamboj.

With each new sector that they foray into, the company marches forth with knowledge accumulated with years of experience, thorough research on market trends, and immaculate planning that ultimately hits the mark. “We venture into any new sector with the intention to explore and cultivate its potential and bring about qualitative changes in the industry,” Aksha Kamboj responds when asked about KBJ Group’s ever-growing diversification.

KBJ Group also realizes that the more they grow, the more grows their responsibility towards society. Social upliftment and creating positive change in as many ways as possible are always at the core of all that KBJ Group does.

Aksha Kamboj and her husband Mohit Kamboj aka Mohit Bharatiya are both extremely dedicated toward their share of social responsibility. They also work to include the same sense of duty in their

children [Mishka Kamboj](#) and [Avyaan Kamboj](#). They are always looking for ways to serve others and give back to society.
