

## **Lance Steinberg, MD, a Psychiatrist in Private Practice & Assistant Clinical Professor at UCLA (Geffen) NPI**

Get to know Psychiatrist Dr. Lance Steinberg, who serves patients throughout the State of California.

**New York, New York City, Jul 16, 2021 ([IssueWire.com](https://www.issuewire.com))** - Recognized as a passionate psychiatrist, Dr. Steinberg works with children, adolescents, and adults at his private practice, with offices in Calabasas, Encino, and Valencia, California. His specialties include ADHD and coexisting issues, as well as OCD, tics, Tourette syndrome, mood and anxiety disorders, Asperger's, and autism.

His hospital affiliations include Cedars-Sinai Medical Center and UCLA Medical Center. He also serves as an Assistant Clinical Professor at UCLA's Neuropsychiatric Institute, teaching advanced psychopharmacology, cognitive behavioral therapy, and hypnosis to the child, adolescent, and adult psychiatrists.

Regarding his educational background, Dr. Steinberg holds a Bachelor of Arts degree in Biology & Psychology from the University of Southern California, finishing magna cum laude. He graduated from the Geisel School of Medicine at Dartmouth and was designated a Rock Sleyster Scholar by the A.M.A. as one of the top ten medical students in psychiatry for the United States. He completed a full residency in pediatrics at UCLA and Children's Hospital of Los Angeles, then a fellowship in adolescent medicine with an emphasis on the medical-psychiatric interface at Stanford University Hospital and Clinics. Thereafter, he trained in psychiatry at Cedars-Sinai Medical Center, where he has taught advanced child psychopharmacology, CBT, and self-hypnosis for over twenty years.

Having taught psychopharmacology internationally using humor and emphasizing clinical relevance, the doctor is board-certified in psychiatry by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Professionally, Dr. Steinberg is a member of several medical organizations, including the American Medical Association, the California Medical Association, the Los Angeles County Medical Association, the American Psychiatric Association, the Southern California Psychiatry Society, the American Society of Adolescent Psychiatry, the Tourette's Syndrome Association, the American Society of Psychopharmacology, and the Obsessive-Compulsive Spectrum Disorders Association.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.

As a testament to his success, Dr. Steinberg has received two Golden Apple Awards for "Outstanding Teaching", and has received the "Exceptional Teaching Award in Child Psychopharmacology for 2018" from the Child Psychiatry Fellowship Program of UCLA / San Fernando Veterans Administration. Furthermore, his seminar "Child Psychopharmacology" was awarded "Highest Rated Course" from 2000 through 2010.

Among his other accolades include: Top Doctor Award for 2021 and 2020, the Patients' Choice Award for 2018, and Compassionate Doctor Recognition for 2018.
