

Laura Paige Slack, MD, with Imber Medical (Anti-Aging and Aesthetics)

Get to know Dr. Laura Paige Slack, who serves patients in St. Simons Island, Georgia.

New York, New York City, Jul 6, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Born and raised in Texas, Dr. Slack grew up in the city of Tyler and attended college at UNCW in North Carolina with additional study at the Roehampton University of London. She graduated with honors and pursued her medical degree where she was able to participate and lead medical electives and mission work in China, the United Kingdom, West Indies, and West Africa. After completion of her clinical studies in New York, she moved to Orlando where she completed her fellowship in family medicine and geriatric medicine at Florida Hospital South and Winter Park, respectively.

Thereafter, she attained board certification in both family medicine and geriatric medicine through the American Board of Family Medicine (ABFM and ABIM) respectively.

Following years of advanced training in Aesthetics, Dr. Slack was certified by AAPM (American Academy of Procedural Medicine) in both Aesthetic Medicine and Anti-Aging. Dr. Slack frequently serves as an expert panelist and guest speaker at aesthetic conferences across the country.

Together with her husband, Doug Klinowski, Dr. Slack founded Imber Medical, the premiere Anti-Aging and Aesthetic Medicine Clinic in St. Simons Island, Georgia.

The daughter of an engineer and an artist, Dr. Slack combines precision with an artistic eye. She is passionate about staying up to date with the latest treatments available in order to offer only the best to her clients. She is also committed to providing the most effective, natural, and lasting options for maintaining a youthful appearance and energy.
