

Lift your Mood with Sapien Medicine and the Relaxing Compositions for Healing and Meditation

Levitate your soul with the meditative compositions by Sapien Medicine. Some of the latest hits are 'Deep brain magnetic stimulation' and 'Radiate Positivity'.

Aurora, Jul 26, 2021 (Issuewire.com) - Providing listeners a musical therapy, **Sapien Medicine** has come up with his latest tracks dropped his latest instrumental singles. The latest track '[Deep brain magnetic stimulation](#)' offers a soft lo-fi composition complimented by the grainy essence of rain. The artist has masterfully crafted the track that provides an atmospheric soundscape. The artist is

capable of creating tracks that convey a perfect mood and emotions incorporated into it. Another track named '[Radiate Positivity](#)' hits generously with experimental digital grooves and trumpet section. Just like its name, the track genuinely contains invigorating vibes that radiate a positive attitude and optimism. Both of these tracks help to cleanse the negativity from the mind and soul.

The artist is releasing the tracks under the label of Sapien Medicine Radio and justified its name by providing medicine-like healing music for the Sapien or the humans. Throughout his musical career, the artist has released a total of five albums namely, '**Legendary**', '**Bedtime Stories**', '**Beautiful Beasties**', '**Mind Settings**', and '**Tuath dé**'. Each of the albums contains a seamless flow of instrumental music that instantly takes listeners on an ecstatic musical journey.

The latest tracks '**Deep brain magnetic stimulation**' and '**Radiate Positivity**' are spreading the artist's creativity further into the epitome of industry. However, success is not the only goal here since the artist looks forward to making a fruitful change to the listener's life by making more relaxing tracks that help to meditate and heal.
