Jammu and Kashmir, Kupwara, Jul 25, 2021 ([IssueWire.com](https://www.issuewire.com)) - [Malik Mehrose](#) is a young Entrepreneur of Jammu and Kashmir. Talking about his life, Malik Mehrose was born on 15 June 2002. He hails from district Kupwara of J&K. He has received his early education from Iqra Educational Institute, a private school in Kupwara, where he completed his matriculation. He completed his senior secondary from Govt. Boys Higher Secondary Drugmulla J&K. Malik Mehrose is currently doing

Bachelor's in General Medicine from Astana Medical University.

Malik Mehrose launched his own e-commerce based startup in Jammu and Kashmir, named [SHOPYLL STORE](#) in Oct 2020.

SHOPYLL is an online shopping website based in Kashmir which delivers high-quality products all over India with full customer satisfaction. It aims to become an ultimate website where anybody can purchase products from Food to Clothes at very affordable prices with a single click and get the product at their doorsteps, with no middle charges.

The startup has scaled up in a very short time to become Jammu and Kashmir's first online store. With a vision to boost the e-commerce ecosystem and to uplift industrialization in Jammu and Kashmir.

Malik Mehrose is a self-taught programmer and he is keenly interested in Artificial Intelligence and Machine Learning technology, he had done many courses like Data Science, Robotics to boost his skills.

He has been involved in many startups and invested in many of them and also helped many young people to start their own startups.

He belongs from a remote area of Jammu and Kashmir and worked very hard to achieve his dream of building an e-commerce ecosystem in Jammu and Kashmir. He is an inspiration to all those who have been trying to build new and innovative ideas.

He has been featured in many news portals for his startups.
