

## POLISH has Churned Out Exquisite Stuff with a Combination of Authentic Rap and Rock in his Recent Songs

The supremely talented POLISH has been spinning magic for quite some time now with the enlivening tune in his exciting releases with oodles of rock and rap vibes.

Luton, Jul 5, 2021 ([Issuewire.com](http://Issuewire.com)) - The independent singer, [POLISH](#) is all set to make a mark with his incredible rock and rap numbers. He has created enough frenzy with his latest tracks '**Ganjafever**', '**XTC Munching**' and '**Coca-Cocaine**' from his 19-song album titled 'The Drugs Ladder' which happens to be his third album. The prolific musician has spun a web of magic with

splendid rap, rock, underground, and bass music. The singer hails from the UK and has been busy recording music on his iMac by making good use of Pro Logic X. The brilliant numbers by the artist are trending on Spotify.

The track, '**Ganjafever**' has got a heck of a pace. The songs, '**XTC Munching**' and '**Coca-Cocaine**' have high octane vibes in the backdrop of a heavy electronic realm. The astounding singer, **POLISH** has captivated the fans with the refreshing vibes in his tracks. He has been looking to make a mark in the mainstream music scene but is finding it difficult to cement his place. The singer has shown indomitable courage by dishing out songs from time to time and is fighting out the odds with sheer brilliance.

The tracks have a memorable edge and the artist has carved out a niche with the enrapturing vibes. All his tracks are based on the subject of drugs and there is a particular theme in every track. The supreme quality of his tracks heavily relies on the bass sounds and the unique rap-rock style. The tracks have complementing explicit and direct lyrics. The fans can learn more about the artist through information on his [website](#).
