

Robert Yaghoubian, MD, an Hand & Upper Extremity Specialist and Surgeon with OrthoConnecticut

Get to know Hand & Upper Extremity Specialist and Surgeon Dr. Robert Yaghoubian, who serves patients in Connecticut.

New York, New York City, Jul 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Yaghoubian is a hand & upper extremity specialist | surgeon at OrthoConnecticut. He operates out of the offices in Danbury, Litchfield, New Milford, and Sharon, Connecticut.

Specializing in hand surgery, elbow surgery, upper extremity surgery, and microsurgery, his areas of expertise include hand & wrist procedures, elbow procedures, and shoulder procedures.

OrthoConnecticut is a multispecialty practice staffed by leaders in orthopedic care, and is the united practice of Coastal Orthopedics, Danbury Orthopedics, New Milford Orthopedics, and Connecticut Pain Care. The practice's Centers of Excellence provide integrated treatment, offering individualized and compassionate care by a team of board-certified, fellowship-trained specialists. The goal of the practice is to help patients regain mobility, lead active lives, and attain optimal health.

A 1994 graduate of NYU Grossman School of Medicine, Dr. Yaghoubian completed his surgical internship at the New York University Medical Center of Bellevue Hospital, followed by a residency in orthopedic surgery at The Hospital for Joint Diseases and Bellevue Hospital.

He capped his highly honored medical education and training—including the prestigious Alpha Omega Alpha Award for the student with the highest scholastic rating for the 4 years of medical school—with fellowship training in hand surgery, upper extremity surgery, and microsurgery at the University of Pittsburgh Medical Center.

Holding medical licenses in Connecticut and New York, Dr. Yaghoubian's hospital and surgical center affiliations include Milford Hospital, Sharon Hospital, and Western Connecticut Orthopedic Surgical Center.

With a commitment to surgical excellence, he is board-certified in orthopedic surgery and surgery of the hand by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons as well as evaluating the qualifications and competence of orthopedic surgeons.

In good standing with a number of professional organizations, Dr. Yaghoubian is an active member of the American Society for Surgery of the Hand, the American Association for Surgery of the Hand, and the American Academy of Orthopedic Surgeons.

Hand and upper extremity surgery is a very broad field that encompasses the bones, joints, ligaments, tendons, blood vessels, nerves, and other soft tissues from the hand to the shoulder. Hand & upper extremity specialists examine and treat sports injuries including wrist injuries, broken bones in and around the hand, sprains, strains, and finger injuries.

Throughout his career, Dr. Yaghoubian has co-authored a number of clinical publications and has presented at regional and national meetings in the areas of orthopedic and hand surgery.

Among his various accolades include: Castle Connolly Regional Top Doctor (2020-2021); Castle Connolly Top Doctor (2013-2015); Castle Connolly Metro Area Top Doctor (2016); Connecticut Magazine Top Doctors; Moffly Media Top Doctor - Fairfield County (2021); Vitals Patients' Choice (2011, 2018, 2020); America's Most Honored Doctors 2020; America's Most Honored Doctors - Top 10% (2016, 2020); America's Most Honored Professionals - Top 5% (2017-2019); and Healthgrades Honor Roll.
