Dron College of Education is one of the best college in western UP, established by their managing director Mr. Sanjay Tyagi in 2006 for public benefit

Uttar Pradesh, Meerut, Jul 17, 2021 (IssueWire.com) - Dron College of Education is one of the best colleges in western UP, established by their managing director Mr. Sanjay Tyagi in 2006 for public benefit and it is recognized globally because its produce the skillful and ideal students as per the requirement of industry and society. Dron College of Education fills the gap which makes by other institutions in the field of education with their wide variety of courses professional and traditional programs like B.Pharm, D.Pharm, D.Pharm (Ayu), GNM (Ayu), BBA, BCA, and other basic educational programs B.ed., B. el. ed, D. el. ed, B. Com, BA, B. Sc. (PCM, ZBC).

Dron College of Education's faculty members is well qualified and skillful. Their teaching method is different from the other institution, first, they explore the students and then produce interest in their field. Dron college adopts different-2 technique likes scientific model, poster, debate and scientific play with business and simulations games. Such activities are organized by Dron College of Education's faculties and done by their students. Now as per running pandemic situations to fill up the gap in students' carrier Dron College Education also provide online classes to their students so that they won't be able to miss their classes, studies and session.

Dron College of Education always takes great care of the health of their students and staff members, therefore, the sanitization process implements daily all over the college campus on two-shift and focus on social distancing, hand sanitization, thermal screening and only allow any person on the campus as per the government guidelines.

Dron College of Education, Library contains a collection of thousands of books, journals, reference books, research papers, and more than 100 motivational books to inspire the students.

Dron College of Education Upgrades their student's Skills with Creative Learning not only in just studies besides Practical Exposure and training also provides to their students as they have a well-equipped laboratory with all the latest required tools as per the industrial market needs.

Apart from all this Education for boys and girls is no longer confined to the lecture theatres alone. The monotony of lectures has been very much minimized by outdoor work and participation in games and sports and various athletic feats, which generate a healthy competitive spirit and interest in life among students. Dron College of Education also provides personal career counseling extensive career development seminars and invaluable assistance in developing one's resumes that showcase his/her skill and experiences. Most students are provided opportunities to pursue internships to gain some real-world practical experience. This is why our graduates are in demand.
