My full name is Munasingh Dissanayaka Heshan Bashitha. People call me Heshan Dissanayake. In

short, I'm an 18-year-old Musical Artist.

Because I want to see my own name come to a big place one day in the future. That is why I do not use any other stage name.

It's an untold story! Some things are hard to say. Anyway I was inspired by Yohani

Definitely, not only that, she's my dream singer! The second Favorite Music Producers are Rauf & Faik (NCS Artist) and the third one is Prarthana.

Why do you hide your face?

In fact, it is related to a question asked earlier. A lot of people laughed at me. Some still do! Also, they joked to me that I was a very ugly guy. So I decided that continue my music career with this outfit.

When Will Your Face Reveal?

I have no idea about that yet.

Well, what are your future prospects?

Musically I have three main expectations.

1. Being the best Music Producer in Sri Lanka.
