

## VTP Altair at Kharadi 2 & 3 BHK Project near EON IT Park

Biggest Tower Launch in Kharadi

**Maharashtra, Pune, Jul 27, 2021 ([Issuewire.com](http://Issuewire.com)) - VTP Altair - The Biggest Upcoming Launch at Kharadi**

People living in India give utmost importance to owning a house. For many people, buying a home is a dream that they wish to attain at some point in their life. Among the most popular destination to buy homes, Pune may top the list. It has now become the most sought-after location in India as it has witnessed immense real-estate growth and development in recent years. Pune offers something for every person. From affordable options to luxurious choices, the residential housing options offered by Pune will blow the mind away. Irrespective of the past economic challenges, Pune has established itself as the best destination for real estate investment that can reap great rewards in the future.

VTP Altair built on Kharadi is the perfect choice for people looking for luxury within their grasp. With a unique blend of modern construction techniques and skillful craftsmanship, offers 2 BHK and 3 BHK apartments in the upcoming township. The price range of seventy lakhs to one crore makes it reasonable as it has several attractive features. Not convinced? Here are some of the compelling reasons why VTP Altair seems like the best project

It is the first-rate private property in Pune strategically located in Kharadi. It is a perfect place with a well-

developed social infrastructure. Located at the Eastern Metropolitan Corridor in Pune, it has affluent neighborhoods such as Yoo Villas, Panchsil Towers, Marvel Zephyr, and EON Waterfront. Known as the IT hub of East Pune, the once-remote location is now the head office of famous IT companies. It also has proximity to Airport, Railway station, and connects prominent areas such as Viman Nagar, Magarpatta City, Nagar Road, and Kalyani Nagar. Due to the closeness MIDC area in Ranjangaon, Kharadi has a bright future as a prominent investment destination. It makes it an ideal location for real estate investment with better capital appreciation. Getting a property in VTP Altair ensures a great place to live with the best returns of investment in the future.

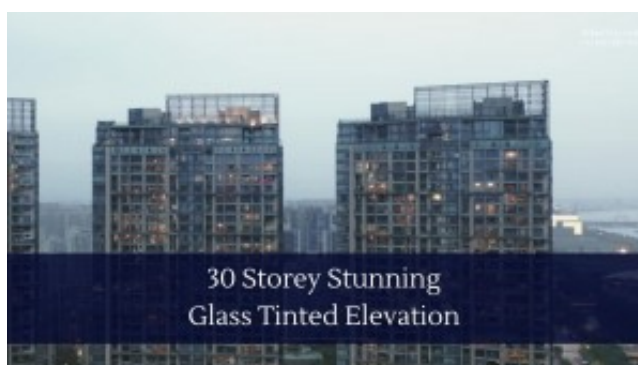

VTP Kharadi is the premium cluster having lavish two-bedroom and three-bedroom apartments that will meet the needs of the homeowners. The well-planned property project has three premium towers that come with five-level parking for the property owners. It has thirty residential floors with beautiful apartments for a comfortable living in Pune. What makes VTP Altair different from the other projects is its MLA (Maximum Livable Area). It means the design layout planning will ensure optimum utilization of the apartment's carpet area.

Apart from opening doors to a comfortable living, VTP Altair also brings taste luxurious amenities. The plethora of facilities such as a swimming pool, clubhouse, state-of-the-art gymnasium, and other facilities will entertain and entice the people living in the upcoming township. The facilities like a play area for kids, senior citizens, and an open space for recreational purposes meets can make people of all ages happy and entertained. Beautiful garden and the lush greens surrounding the property help feel a sense of calm and connect to nature. Sports enthusiasts can play different indoor and outdoor games offered within the premises. In short, VTP Altair has modern conveniences without the need to go outside.

VTP Altair offers eco-friendly features such as a Sewage Treatment Plant and Water Source to ensure good standards of living. The sewage treatment plant will treat wastewater at the individual cluster levels that can be used for gardening purposes. To get pure drinking water, treated water is lifted from the river and treated in a centralized water treatment plant.

When staying with family, the place is in proximity to schools and colleges. By opting for a 2BHK or 3BHK space, It is close to International Schools, URSAL college, Nirmala Convent, Shankarrao College of Nursing, and other educational institutions. There are several leading hospitals nearby such as Aditya Hospital, New Municipal Hospital, Prathmesh Hospital, and Rakshak Hospital.

Here is all about the [VTP Altair](#) Upcoming Launch. One of the finest upcoming projects after Panchshil Towers in Kharadi.
