

Card91 appoints Amit B. Shah as Chief Business Officer

Karnataka, Bengaluru, Aug 22, 2021 ([IssueWire.com](https://www.issuewire.com)) - Card91, the new age payments infrastructure platform, has onboarded Amit B. Shah as Chief Business Officer with an aim to scale Business Development activities and manage the Banking & Network Alliances. The fintech infrastructure startup's journey began in November 2020 and has grown into a team of over 40 people in 9 months.

Shah, the newly appointed CBO is a BFSI veteran with over 23 years of experience. Previously, he held

leadership roles in client coverage in Citibank and IDFC FIRST Bank, managing relationships with large corporates, NBFCs, Financial Sponsors, SMEs, and startups. He launched and built out the mid-market businesses of both Citibank and IDFC FIRST Bank. He has also consulted with International Finance Corporation on business strategy and expansion for their BFSI clients.

Card91 aims to simplify the business ecosystem by offering plug-and-play issuance infrastructure as a service to businesses that want to issue, control, view, and approve payments. The company firmly believe that new and improved technology can change the payments landscape in India and across the globe to a whole new level.

Ajay Pandey, Co-founder of Card91, stated that the company is growing rapidly and that they are looking to hire more people across various roles like Sales, Operations and Technology, etc. “The Founding Team is excited about changing the payment landscape and we are attracting like-minded talent to join us in our journey”, said Ajay.
