

## Detroit Rapper "Cool Almighty" drops his latest single titled "Mr. Everythang"

Cool Almighty has decided to step out of his comfort zone and really get into detail about how much he actually does.

and also owns [Firm Umbrella](#), which is a media company that handles everything from audio production to video production, plus he has his own clothing line, [Soulturn](#)!

With so many of his projects blooming into successful ventures, [Cool](#) took some time to reflect on how often he was told that he can literally do everything. This gave cool a great idea! Cool says "I'm usually pretty humble in my music but I decided to step out my comfort zone and really get into detail about how much I do, so I decided to entitle my latest single Mr. Everythang."

Originally from the west side of Detroit, Cool Almighty taps into his Detroit style. Cool also says that his environment has a large impact on his musical style as well as his upbringing and lifestyle.

Cool stated, "Detroit got this new wave of music, and people around the world are appreciating it now, so why not make the music that comes naturally?"
