

Diane Perkins (Cosner), MD, a Dermatopathologist with Michigan Pathology Specialists PC

Get to know Dermatopathologist Dr. Diane Perkins (Cosner), who serves patients in Grand Rapids, Michigan.

New York, New York City, Aug 9, 2021 ([IssueWire.com](https://www.issuewire.com)) - A fellowship-trained dermatopathologist, Dr. Perkins joined Michigan Pathology Specialists PC in Grand Rapids, Michigan in July of 2017.

Michigan Pathology Specialists is an established anatomic and clinical pathology group in West

Michigan. With generations of experience and leadership in anatomic and clinical pathology services, MPS provides the West Michigan community with the service, quality, and integrity have seen most often from an academic institution. With an internal network of consultants, the board-certified and subspecialty-boarded physicians provide the highest quality of care to patients and primary care physicians.

A 2012 graduate of the Wayne State University School of Medicine, Dr. Perkins went on to perform her residency at Beaumont Hospital, Royal Oak in 2016. She followed this up with a fellowship in dermatopathology at the University of Pittsburgh Medical Center in 2017.

Dual board-certified, she is board-certified in dermatopathology & anatomic and clinical pathology by the American Board of Pathology (ABPath). The mission of the ABPath is to promote the health of the public and advance the practice and science of pathology by establishing voluntary certification standards and assessing the qualifications of those seeking to practice the specialty of pathology.

Locally, Dr. Perkins is affiliated with Spectrum Health Butterworth Hospital and Spectrum Health Blodgett Hospital.

Dermatopathology is a joint subspecialty of dermatology and pathology or surgical pathology that focuses on the study of cutaneous diseases at a microscopic and molecular level. A dermatopathologist is a highly trained physician who specializes in diagnosing disorders of the skin under a microscope.
