

## Doctor-Singer Prakhar sends a powerful message with 'Prabhu Ke Darshan Ko'

The Singing Doctor Prakhar Dagar shows devotional simplicity in his new music video

**Maharashtra, Mumbai, Aug 30, 2021 ([Issuewire.com](http://Issuewire.com))** - Internationally famed singer Dr. Prakhar Dagar, also known as The Singing Doctor by his fans, has been spreading positive spirituality over the global audience through his brilliant compositions. He has once again charmed the audience with another masterpiece, 'Prabhu Ke Darshan Ko', released on August 13th. The song depicts the love and devotion that people have for each other and other living things like plants and animals in their everyday

life. It also talks about spiritual belief and the five sins that one must conquer. In the music video, he is seen traveling through beautiful places across Mussoorie, Rishikesh, and Haridwar. He visits temples and explores the spiritual land, singing and doing acts of simple kindnesses like feeding stray animals.

The brilliant and respected singer has created a sensation with his independent devotional songs and bhajans such as 'Satguru Pyare Tu', 'Tum Hi Palanhar', 'Ardaas Karaan', and more. Armed with his soulful voice, Dr. Prakhar Dagar has been winning hearts everywhere. He is currently doing his specialization in one of India's best medical institutes, the Sports Injury Center, Safdarjung Hospital, New Delhi. He has done an exceptional job during the pandemic period and got awarded the Covid Warrior Award by the Health Minister. He has accomplished amazing heights in both fields driven by his genuine passion.

Dr. Prakhar Dagar was born in Delhi and comes from a family of doctors. That is why he has always been drawn to serving others. His God-gifted blissful voice helps him connect with others through his spiritual music. He serves his patients at the Sports Injury Center Safdarjung Hospital during the day and in the evening he is busy with the online sessions. With his music, he wishes to heal and give hope to people suffering due to the hardships caused by the pandemic. His [music video](#), 'Prabhu Ke Darshan Ko' is available on [YouTube](#).
