Arizona, Casa Grande, Aug 25, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Habib Khan, MD, Medical Director at the [Arizona Institute of Neurology & Polysomnography](#) is an acclaimed “Physician of the Year,” by the elite “Patient Preferred” physicians’ network.

He was featured on the Thomson Reuter’s Billboard in Times Square, NY in 2020 for his work with patients suffering from anxiety and lack of sleep due to the Covid-19 pandemic.

Along with his team of highly skilled health care professionals, Dr. Khan has been rated five stars by patients who praise his compassion, knowledge, and care.

“Dr. Kahn displays great compassion and truly takes the time required to fully understand his patients’

medical issues and devise an appropriate treatment plan,” read a patient review. “I feel that he is the best at what he does and I would highly recommend him to others.”

Dr. Khan’s patient philosophy includes providing each patient with the one-on-one time and attention they deserve for the best outcome and quality of life changes. He has been listed among Arizona’s top doctors and is a well-respected board-certified, neurologist and fellowship-trained sleep specialist. Patients seeking the best in neurological care come to Dr. Khan for his expertise in chronic headaches, peripheral neuropathy, epilepsy and seizures, dementia, and neuromuscular disorders such as myasthenia gravis. He also specializes in sleep apnea, insomnia, chronic pain issues, vertigo, and other balance problems and is highly skilled at treating a wide variety of debilitating neurological conditions and sleep issues.

Dr. Khan has over 30 years in his field and was first recognized as a “Patient Preferred Neurologist”, 2019; he was also a featured physician and has written for the nationally recognized health journal, Preferred Health Magazine on the topic of Sleep Hygiene and its importance during the pandemic lockdowns. He has been selected for the 2020 Best of Casa Grande Award in the Doctor category by the Casa Grande Award Program and has been a featured interview on Talking Live!

With passion and a driven focus on patient care, Dr. Khan’s medical journey began with a Medical Degree from Dow Medical College in 1989. He then completed his residency program in neurology and internal medicine at the University of Medicine and Dentistry of New Jersey in Newark, and his fellowship in sleep medicine at the State University of New York at Stony Brook. Dr. Khan is also a diplomate of the American Board of Hospital Physicians and the American College of Ethical Physicians.
