Orange Tree Christian Preschools continues to build, inspire and educate the future generation. It all began in 2003 when founder Leslie Lucy launched a pilot program at Calvary Chapel of the Canyons. During that time, Orange Tree was born, and in 2006, Leslie established the first location in Lake Forest. The school's exemplary system proved best to educate and prepare children for the real world and

achieve long-term success. “Our approach involves the whole child and recognizes that each one develops at their own rate. We strive to provide an environment that is safe, loving, and rich in opportunities for learning and growth through age-appropriate, hands-on activities.” In 2011, Orange Tree opened its second location in Newport Beach. Orange Tree adheres to the highest standards of teaching, security, cleanliness, and a loving environment. To learn more about Orange Tree, [click here](#).
