Why choose us to **order fresh vegetables**? We will give you immense reasons that you would not be able to choose one-

- Fresh; untouched, and chemical-free products at your doorstep
- Lowest prices to save you some time from bargaining
- A large variety of vegetables coming from across geographical boundaries.
- Lots of payment options, including wallet. No need for cash!
- Super easy to order from your office/home.
- On-time delivery of all products.
- Safe to eat.

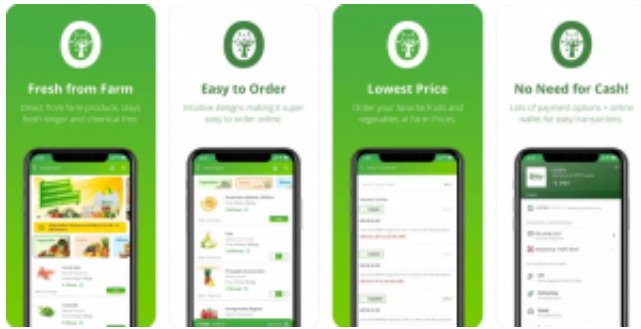

About us

Otipy is an Argytech startup that partners with more than 10,000 farmers to serve fresh fruits and vegetables to their customers. As we bring to you unadulterated produce fresh from a 12-hour harvest, we strive to help our farmers get a fair price for their products and affordable prices to the consumers who **[order fresh vegetables](#)** from us. We guide the farmers to follow best practices to grow their produce. With us, we lead our consumers, support the farmers and contribute towards boosting the local economy of India.
