Karnataka, Bengaluru, Aug 9, 2021 (IssueWire.com) - Magnificence gets a new definition with **[Prestige Smart City](#)** - an upcoming residential venture of Prestige Groups. The real estate market of Bangalore is eagerly anticipating the pre-launch of Prestige Smart City coming up in upscale suburbs off Sarjapur Road, East Bangalore. The community is illustrated to highlight **1, 2-and 3-bedroom** extravagance apartments exhibited over raised pinnacles set in the midst of the tranquility of green grounds facilitating wonderfully arranged regions with water features, green zones, and plush outdoor amenities. With elegant plans, current determinations, cutthroat value ranges, and best-in-class advances, this undertaking is the most discussed venture of Bangalore which without a doubt ironclads a wallop stage for the stately livelihood.

At **[Prestige Smart City](#)**, your everyday routine goes past the limits of your experiencing room. The conveniences are completely wanted to convey the best natural surroundings combined with coming full circle sporting and recreation facilities. The signature clubhouse is equipped with a multi-purpose hall, modern gymnasium, yoga-aerobics room, cards room, and table tennis room. The extensive swimming pool is planned by professionals to confer maximum benefits to its users with the right depth and expansive boundaries. Children and grown-ups will have separate pools giving required segregation and detachedness.

The open-air conveniences are diligently arranged with no space limitations. The multi-reason court is a treat for sports freaks; the children's play region is broad and protected with present-day play habiliments. The reason gives separate tracks to strolling and cycling purposes. These pathways are tree-lined to provide natural shades and bring freshness to the entire premise. There is a provision for retail space which gives easy access to everyday needs. The grounds likewise houses a day in and day out ATM machine with committed security. The green zone includes orchards gardens, courtyards, and water features.

Location Advantages

- Whitefield is 15 Kms away
- Near Orchids International School
- Bangalore Technological Institute
- Colombia Asia Hospital
- Mantri Jupiter Mall
- Government Civil Hospital
