Florida, North Port, Aug 15, 2021 (Issuewire.com) - Yaya Diamond is making headway in the world of podcasts. Yaya is in love with interviews and is now being noticed by high-profile artists, authors, musicians, and businesses for her amazing host skills.

“YaYa Diamond is a super promoter! She walked us through her interview process, explained all the many platforms she posts interviews to, and made everything easy for us to work together. This gig was for the promotion of Black Harbor Press author, Chaim Holtjer as he develops his first novel with us. "The Melding" (aka "Earth Meld"), a YA Fantasy novel. During the interview, Yaya drew Chaim out on several interesting aspects of his writing life. Yaya also set up splash pages, blog entries, posts to social media, Airtime on Roku TV and Amazon Fire Stick, and more. She is very helpful, well organized, and a pleasure to work with. On-time delivery. Super satisfied. Can't wait to work together again!”

It has been said time and time again how easy it is to talk with Yaya Diamond and not remembering that the whole world could be watching. You can check out this amazing host at www.Youtube.com/DreamChasersRadio.
