

## **Zoryana Stoyko, MD, a Oncologist with Nazha Cancer Center**

Get to know Oncologist Dr. Zoryana Stoyko, who serves patients in New Jersey.

**New York, New York City, Aug 4, 2021 ([IssueWire.com](https://www.issuewire.com))** - Dr. Stoyko is a seasoned oncologist at Nazha Cancer Center in Northfield and Galloway, New Jersey. She is also a consulting physician with the Bacharach Institute for Rehabilitation in Pomona, NJ, and attending physician with Shore Medical Center in Somers Point, NJ, and Bacharach Institute for Rehabilitation. While her expertise covers all cancer types and blood disorders, she places a special emphasis on the treatment of breast and gynecologic cancers.

*“Nazha Cancer Center is the only cancer care provider in the shore region of southern New Jersey to qualify for membership in the prestigious Sidney Kimmel Cancer Network at Jefferson. Nazha Cancer Center is the premier cancer treatment center in Southern New Jersey’s shore area. The Center specializes in treating and managing many different types of cancer”,* states the official website of Nazha Cancer Center.

Dr. Stoyko received her medical degree in 1991 at Ivano-Frankivsk National Medical University in Ivano-Frankivsk, Ukraine, where she also completed her first internal medicine residency (1991-1993). Upon relocating to the United States, she pursued a second residency in internal medicine at Richmond University Medical Center in Staten Island, New York (2007-2010). She advanced her career with a hematology-oncology fellowship conducted at New York Medical College and Westchester University Medical Center (2010-2013). Dr. Stoyko served as Chief Fellow during her training. She is currently licensed to practice medicine in New Jersey and New York.

Subsequent to her education, Dr. Stoyko attained board certification in internal medicine, medical oncology, and hematology through the American Board of Internal Medicine (ABIM). The American Board of Internal Medicine is a nonprofit, self-appointed physician-evaluation organization that certifies physicians practicing internal medicine and its subspecialties. Dr. Stoyko maintains active professional memberships with the American Society of Clinical Oncology and the American Society of Hematology.

Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A medical professional who practices oncology is an oncologist.
