New York City, New York Nov 15, 2021 (IssueWire.com) - **COTRP** announces first of its kind cryptocurrency conversion 1:1 shares

COTRP will be the first dividend corporate stock-bond to use cryptocurrency

Ticker: **COTRP CUSIP 220803100** is pleased to announce its developing new technology to convert COTRP certificates to **COTRP** cryptocurrency coins. We will be exchanging a 1:1 share of **COTRP** for 1 **COTRP** cryptocurrency to be traded on the open digital market.

This opportunity is not just exciting news and should allow the fund to recover the face value of \$25 as it opens up to a new world of digitized currency.

COTRP will be the first publicly traded security fund to convert to a cryptocurrency. More news will follow shortly.

SAFE HARBOR STATEMENT

This press release contains forward-looking statements that can be identified by terminology such as "believes," "expects," "potential," "plans," "suggests," "may," "should," "could," "intends," or similar expressions. Many forward-looking statements involve known and unknown risks, uncertainties, and other factors that may cause actual results to be materially different from any future results implied by such statements. These factors include, but are not limited to, our ability to continue to enhance our products and systems to address industry changes, our ability to expand our customer base and retain

existing customers, our ability to effectively compete in our market segment, the lack of public information on our company, our ability to raise sufficient capital to fund our business, operations, our ability to continue as a going concern, and a limited public market for our common stock, among other risks. Many factors are difficult to predict accurately and are generally beyond the company's control. Forward-looking statements speak only as to the date they are made, and we do not undertake to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.
