

## Creating young Leaders for tomorrow

Focus on Education to become efficient in entrepreneurship and startup ecosystem

# MONYBLE

UNBOX THE SKILLED GLOBE

**Delhi, New Delhi, Sep 13, 2021 ([Issuewire.com](http://Issuewire.com))** - **Monyble** is an organization that solely focuses on the upbringing of skilled mindset and entrepreneurial zeal in young minds.

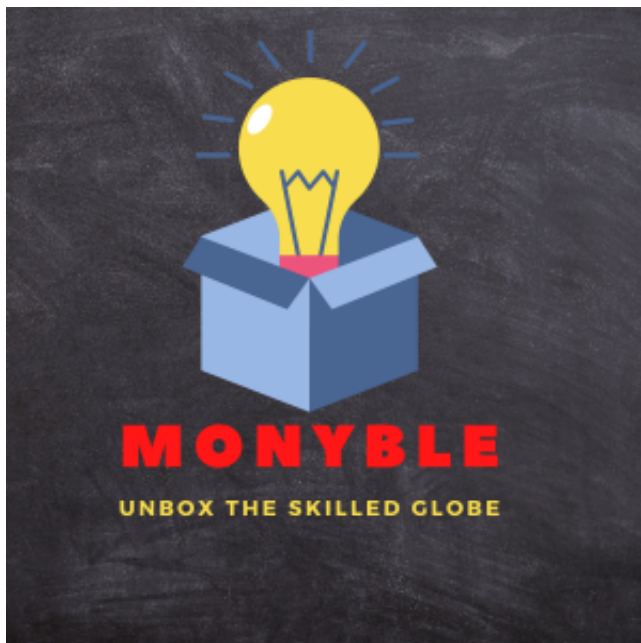

It practices the unique way of refining and cutting the raw stone into the lustrous diamond. The students in educational institutions like schools, colleges, etc have all the theoretical knowledge about academics but they also need exposure to the way this world operates in terms of finance, business, etc.

To pace up with the latest trends and movements in the startup ecosystem and professional skills, It designed some strong algorithms to train young minds to be the leader of tomorrow.

**Monyble** is operating in 11+ countries across the globe and is expanding more every single day with the aim of educating the youngsters with proper tools and mindset to overcome the financial requirements of life and also to be someone who creates opportunity and not the one who seeks for the opportunity.

**Monyble** offers training programs that include skill development like Website development coding, Mobile Application development, communication skills,

Startup insights, Entrepreneurship, Investor Pitch, Leadership, Management, and lots more.
