Get to know Dentist Dr. Jessica Krietchman-Seneca, who serves patients in New York.

**New York, New York City, Sep 2, 2021 ([Issuewire.com](https://www.issuewire.com))** - Dr. Krietchman-Seneca is a skilled dentist practicing alongside her father, Dr. Raymond S. Krietchman, at Raymond S. Krietchman DDS PC. The dental duo provides quality dentistry for people of all ages, operating out of both Brooklyn and Staten Island dental offices in New York.

“For many years, our goal has been to ensure the complete satisfaction of every patient, while offering knowledgeable and friendly service at competitive fees. For almost 40 years, we have gained the experience of being able to provide nearly any type of dentistry. General Dentistry, Cosmetic and Orthodontic, Implant and Total Restorative work are our specialties” as stated on their website.

A native of Staten Island, Dr. Krietchman-Seneca’s accomplished academic record begins upon graduating from St. Joseph Hill Academy. After spending four years pursuing a Bachelor of Science degree from Wagner College, she continued her education at New York University College of Dentistry where she earned an Associate in Applied Science degree in Dental Hygiene. In May of 2005, she graduated from New York University College of Dentistry with a Doctor of Dental Surgery degree.

Among her dental affiliations, she is an active member of the Second District Dental Society of New York, the American Dental Association, and the Academy of General Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

In addition to being a busy mother with a flair for cooking, Dr. Krietchman-Seneca has inherited her father’s artistic abilities which have provided her with an eye to capture a beautiful smile and the expertise to restore a patient with that same smile.
