

Join an Upbeat Musical Journey with Allen Himmen and His Latest Single 'Come Give It to Me'

Make some way for the upcoming music artist Allen Himmen, as he has come up with his latest track 'Come Give It To Me'. The music video has released on September 5.

Albion, Sep 10, 2021 (Issuewire.com) - Churning out the fresh essence of electro-pop music, **Allen Himmen** is delivering musical clarity among the listeners through his latest track '**Come Give It To Me**'. Featuring an upbeat musical arrangement with swathes of electronic music and pop-Esque soundscape, the track is providing an amazing musical experience. The multilayered sound design is

well utilized by the artist and his smooth meandering vocal skills. He is a well-seasoned artist and can change his vocal tone with the need for mood and transitions. Quirky, intoxicating, and enjoyable; the track is capable of captivating all kinds of listeners. The subject matter is based on a party-like ambiance that invites everyone to the dance floor.

The latest track '**Come Give It To Me**' has been premiered on 5th September of this year. In the official music video, the artist could be seen enveloping the viewers with his solo performance. Featuring a retro disco-like soundscape, the music video is providing enough visual support to the song with an indoor karaoke-like setting. The artist seems to feature different attire as it takes sudden leaps of a smooth transition. The video is directed by Allen himself along with Andrea Jutte who did a great job. From rich color tones to quirky edits, everything is included in the video to make it more enjoyable for everyone. Producer Micheal Vail Blum and Tai Acres have helped a lot to create this masterpiece.

Allen is an upcoming music artist who is paving his way in the music industry with nothing but his sheer talent, skills, and a prolific sense of original music. This is just the beginning of his musical journey and he is already making some great progress. While the latest track is generating enough among the listeners, the artist is on his quest to craft his next project. The forthcoming project is scheduled to be released soon. The artist is greatly inspired by Michael Jackson and Religion which reflects through his musical representation of pop. Allen is partying and rebelling through his musical journey while inviting everyone to join it. Follow **Allen Himmen** on YouTube and Instagram to know more about his upcoming music.
