In practice in the Wentzville/Lake Saint Louis area since 1995, he is proficient in all facets of family medicine with an emphasis on weight loss and early cancer detection/prevention.

When asked what motivates him, Dr. Montgomery says, “My goal for my patients is to help them improve the quality of their lives and get to 80+ years old with no heart attacks, strokes, cancer, or dementia. This is very difficult to do, but much easier if I can make a personal connection and show them I really care.”

Dr. Montgomery obtained his medical degree in 1992 at the University of Missouri School of Medicine in Columbia, Missouri. He completed his residency at Cox Health Systems in Springfield, Missouri (1992-1995).
