

Stunning Dentistry expands to North West Delhi to increase access to Advanced and Elite Dental Care Services

Stunning Dentistry starts with a New International Dental Care Center at Netaji Subhash Place. This center would bring in for accessibility for all its patrons from Northern and Western parts of Delhi

I HAVE A VERY TRUSTFULL RELATIONSHIP WITH THIS COUNTRY. DR. PRIYANK SETHI IS EXTREMELY PATIENT & WAS SO MUCH BETTER THEN MY GERMAN DENTIST.

We won! The prestigious Patient Service Award

Awarded by **WhatClinic** in recognition of excellence in patient experience

Delhi, New Delhi, Sep 1, 2021 (Issuewire.com) - Today, Stunning Dentistry has officially made public the opening of its newest venture that hosts the most advanced dental equipment and technology. This center is committed to providing the highest quality dental treatment to the residents of North West

Delhi. The expansion is in line with the mission of providing access to No Compromise and International Level Dentistry to all the citizens of New Delhi. This elite dental center at 5th Floor, HB Twin Towers-1, Netaji Subhash Place would be easily accessible from Ashok Vihar, Shalimar Bagh, Pitampura, Rohini, Paschim Vihar, Punjabi Bagh, Rajouri Garden, Kirti Nagar, Vikaspuri, Model Town, Civil Lines, Lawrence Road, Tri Nagar, Gujranwala Town and other West-Delhi neighborhoods.

This dental clinic would house the most advanced dental machinery which has been imported from Germany and the USA. All the super-specialist doctors would be serving their clients from 9 AM to 9 PM on all working days.

Advanced Dental Experience

Dr. Priyank Sethi, the Founder, and CEO of Stunning Dentistry explains that the new Stunning Dentistry clinic at Netaji Subhash Place will be equipped with FDA-approved advanced dental technology including 3D Cone Beam Computed Tomography, Digital Intra Oral Scanners and 3D Smile Designing Softwares. This would ensure that all the patients receive the most accurate dental diagnosis and precise dental treatment. As per brand policy and commitment, Stunning Dentistry will continue offering Life Time Warranties on all their dental treatments. The new dental clinic at Netaji Subhash place will be using the finest dental materials from Germany and Sweden in combination with the best dental laboratories in India and abroad to deliver the most natural and pleasing dental veneers, crowns, and bridges to all its clients. Additionally, minimally invasive, single-appointment treatments like Same Day Implants, Same Day Smile Design would be possible by the use of best-in-class materials and techniques.

For the residents of North West Delhi, this new Stunning Dentistry clinic would be a welcome change, which would give them access to a never-seen-before dental experience and luxury dental services. This state-of-the-art and the aesthetically designed elite dental clinic has a specially designed private patient lounge, a digitally enhanced treatment planning room, and a smile design studio. The patients will be also be assisted by Stunning Dentistry's expert team of Client Relation Managers (CRMs), who will be available 24*7 for assistance with queries, and appointment bookings.

As reported, this new elite dental clinic will be managed and guided by Stunning Dentistry's renowned team of internationally trained dental experts. The in-house dental surgeons are experts in their respective fields and are some of the finest dentists in the country when it comes to the international experience and surgical skill sets. All the procedures will be performed under the guidance and mentorship of none other than the famous Bollywood celebrity dentist Dr. Priyank Sethi BDS MDS Ph.D., who himself is a revolutionary Digital Smile Designer and a global name when it comes to flawlessly handling complex and previously failed dental cases.
