Opened to players who had participated in *Super People's* Alpha Test, the contest received submissions that captured players' best plays and highlights. The 10 videos that were chosen as winners showcased particularly impressive displays of Ultimate Skills and clutch plays that illustrate the unique gameplay and experiences *Super People* brings to players and FPS battle royale games.

Those who missed out on the Alpha Test can find out more by visiting *Super People's* Steam page. With detailed specifications, a comprehensive game introduction, and some new intel about the game mechanics and world, players can see what the game will offer upon launch.

Super People, a battle royale game set in a world where the face of conflict has been changed by super soldiers. Players will step into the shoes of super soldiers and fight to be the last man standing in ever-evolving battles set in an intricately designed world that will take battle royale and first-person shooters to the next level.
