

A World First - 120 Continuous Hot Hire Podcast Episodes Live in 24 Hours

Queensland, Brisbane, Oct 6, 2021 (IssueWire.com) - Dre will be interviewing 120 industry experts from all around the globe, live in 24 hours. In today's world of uncertainty and rapidly changing employment market, these experts will be sharing valuable employment advice to help job seekers or employers get ahead. Each episode will be between 7-9 minutes and the icing on the cake is that all guests have to finish with a Dad joke.

Oh, we forgot to mention that Dre doesn't have the best track record of staying awake, he has fallen asleep during Sex, at Nightclubs, Restaurants, Seminars, Lectures, Bars, writing Resumes, and Cover Letters late at night, and even at the Cinema. This is going to be a HUUUUGGGGEEEE TEST! to stay awake, engaged, and talking for 24 hours straight. .. We could just be watching him fall asleep while interviewing guests... This is going to be FUN!

Dre has helped over 5,000 people kick start their careers in the last several years. He is the author of The #1 Interview Playbook, which is a clever guide to winning your next job. The host of 'TheHot Hire Podcast' and the 'Sales Superstars Podcast', plus a Certified Neuro-linguistic programming Practioner, Time Line Therapy Practioner, and a Certified Coach.

Dre is the founder of Job Search Qld, soon-to-be Job Search Branding, and helps top performers increase their personal brand and profile so they are positioned as the leading authority in their industry. He has worked in sales and recruitment for more than 20 years and has placed candidates for some of Australia's and the world's largest companies.

In 2011, he won a national sales award for being one of the top sales performers for Vodafone Business, in the Asia Pacific region.

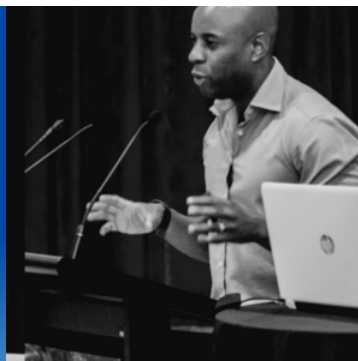

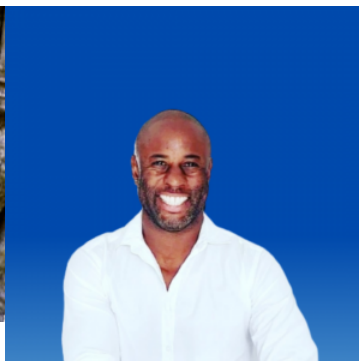

Dre is obsessed with Dad jokes, so it's going to be a fun, valuable, life-changing, and uplifting event and nothing like this has been done before.
