

## Australia's first ever PORTABLE Crossfit Box hits our shores

The WODBOX idea is simple, Train outside the box.

**Queensland, Brisbane, Oct 19, 2021 ([Issuewire.com](http://Issuewire.com))** - Take the gym to places you never thought possible from the backyard to the park, beaches to the hilltops. WODBOX provides a uniquely portable, functional fitness solution that moves where you do and attaches to the tow bar of any vehicle.

Park up to assemble and transform the WODBOX within minutes to reveal a fully equipped and customisable gym apparatus that includes weight racks, pull up bars, wall ball targets and more.

Attach pull up rings, boxing bags, barbells, battle ropes – whatever you want. With WODBOX the possibilities are endless, the only limit is your imagination.

### **More than just a trailer.**

The WODBOX is made to order and can be wrapped to include your business branding, to create your very own mobile billboard and attract clients on the move!

You can choose to purchase your WODBOX just as a trailer unit or fully equipped with fitness

equipment thanks to our partners [Again Faster Equipment.](#)

## A manufacturer you can trust.

WODBOX is designed and created by Quinn Ryan from NZ Company QR Welding & Fabrication Ltd.

The fully portable gym trailer with braking system is 100% New Zealand made from high quality, durable materials and is imported into Australia. The chassis is constructed from weather-resistant, galvanised steel and clad in ACM signboard, ready to be wrapped for a professional, long-lasting finish that will withstand even the toughest workouts.

## WODBOX is available in two models, *The Wodbox Mini* and *The Full Wodbox*.

**The Wodbox Mini** is a more compact version set on a single axel that's 1.8m wide x 2.4m long x 2m high. It's lighter than the Full Wodbox and can be towed by any vehicle, making it the perfect training unit for self-employed trainers or solo fitness junkies. It's priced from \$24,995 and includes 4 x J-Hooks, 2 x Wall Ball targets, 2 x Battle Rope Mounts.

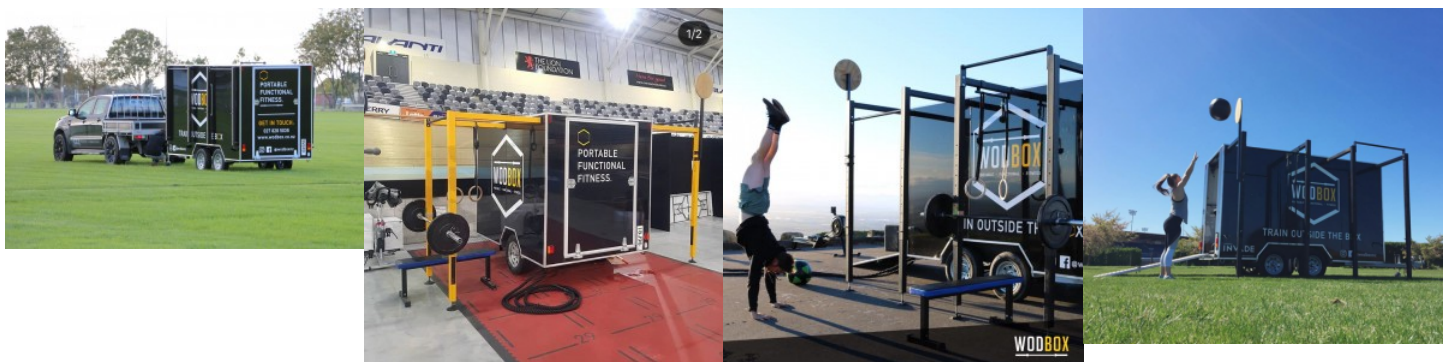

**The Full Wodbox** is ideal for the fitness business wanting to give their clients a workout anywhere, anytime, without limits. 3.9m length x 1.8m wide x 2m high, on a double axel and large enough to store multiple sets of machines inside. The full WODBOX is a full Crossfit Box on wheels training over 25 people at once. It's priced from \$31,995 (2021 price, from \$33,995 in 2022) and includes, 8 x J-Hooks, 2 x Wall Ball targets, 2 x Battle Rope Mounts.

## Order before Christmas and save \$2000 from our RRP.

We're taking orders today and ready to start production.

Are you ready to take your business to new heights?

Be one of the first in Aus to **TRAIN OUTSIDE THE BOX.**
