

## **Donna Witkins, APRN, an Advanced Practice Registered Nurse with Prime Healthcare PC**

Get to know Advanced Practice Registered Nurse, Donna Witkins, who serves patients in Avon, Connecticut.

**New York, New York City, Oct 20, 2021 ([IssueWire.com](http://www.IssueWire.com))** - Donna is an advanced practice registered nurse in practice at Prime Healthcare PC in Avon, Connecticut. She specializes in internal medicine.

Throughout her academic career, she graduated with her Bachelor of Science in Nursing degree and her Master of Science in Nursing degree from the University of Saint Joseph.

Passionate about her profession, Donna is board-certified by the American Nurses Credentialing Center (ANCC). The ANCC credentials both organizations and individuals who advance nursing.

An Advanced Practice Registered Nurse (APRN) is a nurse who has obtained at least a master's degree in nursing. APRNs may work across various healthcare settings, including hospitals, ambulatory clinics, or long-term care facilities. They provide medical support and preventative care to patients, along with additional responsibilities of coordinating patient care and using specialized knowledge to manage complex patient conditions. APRNs can diagnose and treat as well as order and interpret tests and prescribe medications.
