New York, New York City, Oct 8, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Domenech is a board-certified medical oncologist who has practiced in South Florida for more than 15 years. He is in practice with Integrated Oncology of South Florida.

Integrated Oncology of South Florida (formerly 21st Century Oncology), provides oncology and hematology services in Aventura and Miramar, Florida. A part of the GenesisCare network, their services include the diagnosis and treatment of breast cancer, skin cancer, prostate cancer, and many other forms of cancer and blood disorders.

Dr. Domenech's years of practice have afforded him the expertise to accurately diagnose and treat all types of cancer. He believes that every cancer patient deserves optimal care in a positive and supportive environment.

His mission is to put these beliefs into practice by utilizing the very latest diagnostic and treatment modalities in order to provide each patient with a comprehensive care plan aimed at eradicating or controlling the progression of their cancer.

An Argentinian native, Dr. Domenech earned his medical degree from the National University of Rosario. After relocating to the United States, he completed his residency in internal medicine at Flushing Hospital Medical Center and his fellowship in medical oncology at Montefiore Medical Center / The Albert Einstein Cancer Center.

Following his training, the doctor attained board certification in medical oncology through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Among his other roles, Dr. Domenech can be found on staff at Florida Precision Oncology in Aventura, Florida. In the past, he has been affiliated with Alves/Domenech Oncology & Hematology Clinic and has been the Associate Medical Director of Memorial Cancer Institute, Memorial West.

On a professional level, he is a proud member of the American Cancer Society and the American Society of Clinical Oncology.

Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A medical professional who practices oncology is an oncologist. They treat cancer using chemotherapy or other medications, such as targeted therapy or immunotherapy.

As a testament to his success, Dr. Domenech has been the recipient of the Sir William Osler Humanitarian Award, Patients' Choice Award (2018, 2016, 2015), Compassionate Doctor Recognition (2018, 2015), and On-Time Doctor Award (2018).

On a more personal note, he is fluent in both English and Spanish.
