

Individual Artist Har'Monique has brought a New Bold Song 'High Feelings' for her Followers

Inspiring, energetic, and creative emerging pop singer Har'Monique has put her feet on the pop genre with her brand new song 'High Feelings' for her followers.

New York City, New York Oct 23, 2021 ([IssueWire.com](https://www.issuewire.com)) - Bold by design with music and the lyrics one can really feel high after listening to the song '[High Feelings](#)' by **Har'Monique**. Therefore, one can really get addicted to her song as it will drive the listeners with a soothing vibe. In the video promotion of the song on her Facebook page, the singer has reflected a suitable attitude that influences the audiences. Well, the singer wants to encourage her listeners to be self-reliant and break the barriers that are posing obstacles to get the goals. Moreover, this young and talented star also makes her songs bold and self-dependent. It seems that she gets inspiration from the persons who broke their barriers and formed a new platform for the global people for which she named Beyoncé to be one of her greatest inspirations.

The singer has also utilized her musical experimentation during the composition of the song. That is the reason why the number of followers of the singer's social media sites has increased. Furthermore, '**High Feelings**' is a combination of simple lyrical prowess mixed with perfect rhythmic texture. The background, small music parts and pieces of this song have played an important role in promoting the song to a new height. This pretty lady is writing and composing songs for years and now, it's time to give the notations a musical shape to create a buzz in the industry. A new song of **Har'Monique** 'Take Over'

has already taken a place in the mind of her listeners. However, the singer is also interested in producing ballad heartbreak pop songs for her audiences.

Right now, the singer does not hold any music album but in the near future, she wants to launch her first official pop music album. Fans and followers are expecting some new types of pop tracks to be included in her first official pop music album. Not only in [Spotify](#) but also the listeners can stay tuned to her on [YouTube](#) and [Instagram](#) channels to get immediate music updates.
