

Lucille Soldano, MD, a Radiologist with Specialty Imaging

Get to know Radiologist Dr. Lucille Soldano, who serves patients in Danbury, Connecticut.

New York, New York City, Oct 5, 2021 (IssueWire.com) - A knowledgeable radiologist, Dr. Soldano is in practice at Specialty Imaging in Danbury, Connecticut.

Specialty Imaging provides comprehensive diagnostic imaging and minimally invasive procedures and therapies in a patient-centered environment. Their subspecialty trained radiologists are committed to delivering exceptional care in a supportive, compassionate, and cost-effective manner. Using a combination of advanced imaging technologies and superior clinical expertise, they strive to achieve optimal outcomes for the patients and referring providers they serve.

Completing her undergraduate education at Cook College and Rutgers University, Dr. Soldano earned her medical degree from the New Jersey Medical School. She then went on to complete her internship at UMDNJ New Jersey Medical School-affiliated hospitals, followed by a residency in radiology at St. Barnabas Medical Center, and a residency in nuclear medicine at Yale-New Haven Hospital.

A member of the National Board of Medical Examiners, she is board-certified in diagnostic radiology and nuclear medicine by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

In her local area, Dr. Soldano has admitting privileges at Danbury Hospital and New Milford Hospital.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
