ADVANTAGES OF STUDYING MBBS IN BANGLADESH

In a nutshell, we provide you with the salient points which make MBBS Course in Bangladesh attractive. But a little Research from the pupil's side is quite desirable. A little Research from the pupil's side is quite desirable.

The most important attraction to study [MBBS in Bangladesh](#) is that the Sensible Bangladesh Medical College Tuition prices. While there is a Reservation of 75 pupils in Government Medical Universities for MBBS in Bangladesh for Global Students. Also, in Private Medical Colleges of Bangladesh, 45 percent of seats are reserved for non-native students, hence more opportunities for Indian pupils. There's a notion that should you're a SAARC pupil, you do not need to pay any Tuition Fee for Medical Study in Bangladesh, thus only your living price.

Those who aren't under the purview of SAARC need to pay USD 3,000 pa as Bangladesh Medical College Tuition Fees (Hostel Fee included). Currently, this is just the amount of a fee, details follow. <https://www.mbbsinbangladesh.in/fees/>

The Medium of Education in Medical Study i.e. MBBS in Bangladesh is English, thus there is no requirement for any Language Training.

Each of the Authorities Medical Colleges in Bangladesh acknowledged by NMC/MCI is approved by WHO.

There is Immediate Entry to [MBBS Admission in Bangladesh](#) without any Donation or Capitation.

And today for the flipside! The Medical Study in Bangladesh is also correlated with cautions and pitfalls that many other research destinations present.

The concept of No Tuition Fees under SAARC nomination requires one to have scored 95 percent in 12th. Apart from MCI recognition, You Have to be careful that it has the approval of the Ministry of Health and Family Welfare, Dhaka, and The Medical and Dental Council of Bangladesh, Dhaka.

At the same time you regard Bangladesh Medical College Admission, remember that the Bangladeshi Bengali is spoken and you have to be a modest adept at it.

Indian students need to get a 'No objection' Certificate from NMC/MCI, which is more or less true for any nation.

The Private Medical Colleges of Bangladesh don't give admission to pupils who have over two years gap after 12th.

A major problem could be that through your Internship you may not be permitted to touch with the patients, so be sure it is not 'Observership'.
