New York, New York City, Oct 14, 2021 ([IssueWire.com](https://www.issuewire.com)) - A trusted psychiatrist, Dr. McIntyre has been practicing child, adolescent, and adult psychiatry in the Austin, Texas area for over thirty years. While his current practice is exclusively outpatient, he has a long history of in and outpatient care.

They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.

As a testament to the difference he has made in the lives of his patients, Dr. McIntyre has been the recipient of the Patients' Choice Award (2013, 2011, 2009, 2008).

On a more personal note, he and his wife live in the Westlake area with their three (unruly) cats.
