

## Rejuvenate the classic essence of hard rock with Citizen Kane's latest album 'World on Fire'

Make some way for the American rock band Citizen Kane as it has dropped the latest album named 'World on Fire'. There are nine invigorating rock tracks in this album.

**Mandeville, Oct 8, 2021 ([IssueWire.com](https://www.issuewire.com))** - Offering listeners a high-octane musical arrangement of hard rock music, **Citizen Kane** has come up with his latest tracks to make his listeners enthralled. The band has recently released an album named '**World on Fire**' which is currently trailblazing through the music industry. The album consists of a total of nine tracks and each of them is filled with an ample amount of energetic essence. Some of the singles like '**Eagles Wings**', '**The Reign**', '**Generation Meltdown**', etc are captivating listeners while rejuvenating the classic hard rock essence.

Blistering chords of the guitar, hefty dose of bass, and percussion help to build up the rock soundscape which does not fail to impress everyone. It is quite evident that the band is highly inspired by Metallica, Black Sabbath, and other legendary rock and metal bands as their reminiscences keep sprawling through the tracks. The hard-hitting classic metal melodies infused with energy and chaos; each musical representation by this band is one of the greatest contributions to the rock music industry.

The band was initiated by Guitarist James Salyers back in 2010 by taking influence from British Metal

and American Rock. Powerful vocals along with intriguing subject matter help to build the right ambiance and flavor. The other members like Lead Guitarist Don Alexander, Bassist Tim Mckinney, and Drummer Myron Steffey have provided adequate support to the band with their united musical effort.
